Science - Rock Pool habitats, species of crab.

History-The history of the seaside from long ago.

We will be visiting Badger wood to compare beach and forest habitats.

British Values

Individual Liberty

- Supporting individuals to develop their self-esteem, self-knowledge and self-confidence.
- We can make our own choices in school

Welcome to your parents/carers map.

Parents/Carers maps are sent home at the start of every new half term. They outline our theme for the half term, and say what our literacy and numeracy topics will be, alongside some of the activities that will take place. These are helpful for you to know what your child/ren will be learning at school.

During the next half term the children will be learning about The Seaside. The theme includes learning about rock pool habitats, features of the seaside and how the seaside has developed since Victorian times. We will also be once again visiting Badger Wood to continue our Forest school learning, which has proved to be extremely beneficial to the children's learning and development across all learning areas.

Reading Books

Reading books are changed twice a week, on a Monday and a Friday.

If you would like the reading book to be changed please make sure you have signed the reading

record

Spellings and homework

The year 1 spellings, maths activity and Reception words will be given out on a Monday. Please can they be returned to school on Fridays for the spelling quiz (year 1's). Thank you for encouraging your child/children with the home learning as it really does support the learning that takes place in school.

P.E

Please make sure that children have their P.E Kits in school at all times. P.E is on Monday's Tuesday's and Fridays this term.
