- Coastal and Seaside Habitats (Geography/Science)

## Welcome to your parents/carers map.

This half term is going to be busy. We will be spending 2 weeks learning about seeds, bulbs and planting. We will be using plenty of scientific language about the anatomy of plants. The rest of the half term will be "Beside the Seaside", I can't wait to see what the children are interested in relating to this topic!

### Reading Books

Reading books are changed twice a week, on a Tuesday and a Thursday.

If you would like the reading book to be changed please make sure you have signed the reading record.

### KS1 spellings

The children will receive new spellings every week. They will be given out on a Monday and the spelling books need to be returned to school on Fridays for the spelling quiz.

### Homework

Homework will also be sent home every week. This will be given out on a Wednesday and collected in on a Monday and will be based on Maths that the children have been learning in class.

### P.E

Please make sure that children have their indoor and outdoor P.E Kits in school at all times. P.E this half term is Football on a Monday and Gymnastics on a Thursday. Please ensure your child has suitable PE clothes.
