Dear Parents,

Year 3S Maths Workshop.

We will be running a maths workshop for Year 3S parents or grandparents on Wednesday 25th April at 9:05am. This workshop is to help parents understand why we use certain methods for teaching, an explanation of how some of the methods are used and ideas for supporting children at home. The workshop will last approx. an hour.

Please note that there will be a limit of 1 adult per child due to space.

Please fill out the slip below to indicate whether or not you wish to attend.

Yours sincerely

Miss J Stagg & Miss Short
