

SUMMER DRESS UPDATE

In response to parent feedback, we are happy to announce two further options for summer dress providers. There are now three options for your navy gingham summer dress purchases as follows:

Order direct from school
£8.50 per dress (any size) including Hairband & scrunchie

Buy from M&S
£9 - £12 (depending on size)
Available in store and online. You can order online for Free delivery in store (no minimum order).

Buy from Sainsburys
£4.50 - £6.50 (depending on size)
The **Navy** dresses are only available to buy online and not in store - you can order online for free delivery to store (for orders over £15) or home delivery for £3.95.

Top tip - to save on delivery, club together to do a joint order with others. Or place an order over the £15 limit and return any excess items you don't want for a full refund when you collect them.

Please note that these will be the only three dress styles that will be considered correct school uniform and **must be the NAVY option of these styles**. We believe that these three options successfully address the matters we have been discussing with parents around the different areas of price and material quality/weight, whilst also maintaining our uniform standards. We hope you agree.
