Dear Parents/Carers,

## Netball League

This term we begin our netball league competition. This involves our teams competing against other schools. We have entered two teams into this competition as we want to give as many children as possible the chance to compete. However, this year I am delighted to say we have a lot of children who attend netball club therefore not everyone will be able to play every game. In most games we will substitute some children again to try and give all children the chance. This also means that some weeks netball club will not be on (due to matches) and matches may take place on different days. All matches will take place after school. When children are playing away we need to rely on parents to transport their child to these games as it is difficult to get a bus at this time. I appreciate this is difficult for some people and unfortunately staff cannot transport children in cars. I am pleased to say that parents can spectate at all of our matches.

I will let you know as soon as I know when our matches are. I would appreciate it if your child is selected to play and they are unable to attend that you let me know as soon as possible.

Our first game of the season is on Tuesday 24<sup>th</sup> April against Pentland, at St Paul's. You will be notified if your child has been selected for this game. Netball club will not be on that Tuesday. If your child is not selected but they want to spectate and help with refreshments, time keeping and reporting I am happy to supervise them.

Mrs Tattersdill

PE Leader.
