

18th April 2018

Oakworth Primary School

**"Share a Story"**  
Year 1

Dear Parent/Carer,

I am really pleased to tell you that we are going to offer you and your child a chance to get involved in a very popular activity in school, "Share a Story".

This activity has been running for several years and receives really positive feedback from parents and children. The children really enjoy the opportunity to show parents their school and parents like the chance to see beyond the doors!!

"Share a Story" will be held in our school library. You can come into school @ 2.50pm, meet your child or children in the school library, choose a book and enjoy some time set aside to read or look at a book together. Your child will go back to class after the session and meet you outside as normal to go home.

Pre-school children are very welcome to come with you to this activity.

The sessions will be held for both Year 1 classes on:

**Tuesday 1st, Wednesday 2nd or Thursday 3rd May**

**Please wait at main school reception and we will go to the library together.**

To help me manage space and resources, I would be grateful if you could fill in the slip below if you are interested in attending and return to the school office by Thursday 26th April.

If you require further information before signing up please contact me at school.

Regards,

Helen Scargill (P.I.W)
