Meet Dora!!!

She is beautifully modelling the new uniform that will be available for September (trousers for boys). More details will be sent home well before the end of the school year to let you know where to get everything. We are happy for parents to continue to use the current uniform in September if you have recently purchased any new items, phasing in the new uniform over time.

School Meals....

As I mentioned in text messages the kitchen started back on week 2 and will continue next week on week 3. Please ignore the dates on the top of your cards as they are now irrelevant.

This is a 6 week half term so if your child is on dinners every day it will be £63.80 (the May day holiday has been deducted). Otherwise dinners are £2.20/day—you are getting good at your maths!!!

Look out for exciting news about the menu for our Edwardian Celebration day on 16th June!!

Copley History Book....

Most of you will know that our school first opened its doors in 1904, and if buildings could tell stories can you imagine what events and stories it could tell us!!

If you're interested in the schools history then you be pleased to know that I am writing a history book which should be finished in June/July this year and if everything goes well it should be available to buy before the summer holidays.

Copley School Celebration Event 2018

Your child should have brought home today a detailed letter explaining our plans for our big Edwardian Celebration event on Friday 15th June.

Here is the link again if you would like to book one of the tours for the day.

Secondary School Allocations 2018

This year we had 32 pupils. Originally 5 pupils who expressed a first preference for Ryburn were not allocated a school of their choice. During the reallocation process over the last few weeks all pupils have now been allocated a school preferred by parents.

Ryburn Valley High School	Brooksbank	Calder High	North Halifax Grammar School	Crossley Heath Grammar School	Trinity Academy	All Saints Catholic College
23	2	1	1	3	1	1

Which way will it go? !!

Can we remind parents about our policy with regards to sun cream. Please, where possible and when necessary, apply lotion to your child at home before coming to school. Many creams are available now that will last all day and will not need to be reapplied at school.

Any sun cream brought into school must be clearly named and your child will be required to apply their own cream. Please can you reiterate that they should not share any lotion with another child. Please feel free to send sun hats to school.

Remember too.....if it rains outdoor coats still need to be brought to school!!!!

Summer Uniform

As we are changing our school uniform from September, it would make sense if you are needing to buy a new summer dress for this term that you buy the new colour red. It seems a real waste of money to buy a blue one just for the next few weeks. If your child still has a blue one that fits, then by all means continue to wear the blue ones.
