

A local language business is arranging a visit for 15-20 Chinese students, aged between 8 and 13 years old, accompanied by 2 adults to come to Salisbury on an English culture trip from 10-19 July 2018.

They are looking for host families who ideally have children of similar ages so that they can interact and practice their English. The children will have been learning English since age 4 so will have some language ability.

You would need to provide accommodation, breakfast, packed lunch and an evening meal. It is not a requirement that the children have their own room, sharing is great fun!

You would receive £160 for each person hosted for the 9 nights.

On their arrival to Salisbury you would be invited to a welcome party so that the children can meet their host families and be greeted with a warm welcome.

The children will have a programme of daily events and will need to get to SP2 or other meeting point each morning and be collected at the end of the day.

Having hosted students before we have found it great fun!

If you would be interested please do contact Jo Gilfillan (email: [jo\\_gilfillan@hotmail.com](mailto:jo_gilfillan@hotmail.com)) ASAP for further details.
