

Wow our final newsletter of the year, what a busy time we have had so far! We hope you enjoyed the Easter break with the children. It is lovely to see them all back. They seem to be growing so fast. Once again this letter is intended to inform you of some aspects of school life in the coming months.

Library Day!

Don't forget Parents and Carers Tuesdays are Library Day! Remember when you're not sharing the library book with your child, keep it in their book bag. By doing this your child will always be able to change it for another.

Our Topic's this term are:
'Pirates and Holidays, British Values, Dinosaurs and Noah's Ark'
 We are looking forward to our afternoon tea this term during our British Values topic, where we will be using our best manners.

Afternoon Tea

Dinosaurs

Later in the summer term we will be finding out lots of facts and information about dinosaurs.

"Raaarrhrrrrh!!!"

Summer Uniform

HOMWORK

Thank you again to parents and carers for your time and dedication with regards to our homework, if you need any help or have any questions please see your child's class teacher. Just a reminder, that homework is collected in and marked on **Fridays**, before we hand it back on the following **Monday**. Please ensure your child brings their reading book and reading record every day, as we change reading books throughout the week. Please remember they need to have read at least 3 times a week, this can also include Bug Club readings, to receive their reading sticker each week.

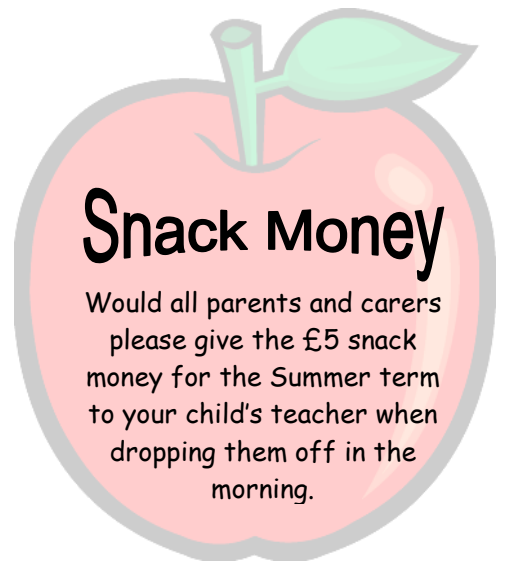

PE Kit

Please ensure your child has a pair of shorts and t-shirt in school, with their name clearly labelled in both. Your child can wear any colour or design **for this term only**. Please ensure all kit is in school by Thursday 20th April at the latest so your child can take part in PE. We will ask the children to put their PE clothes in their PE bags with their plimsolls for safe keeping. If you have any questions regarding this matter feel free to see me.

Bug Club

If your child has lost their 'Bug Club' account details or you are having problems gaining access please see your child's teacher where they will be happy to help you sort them.

Have fun!!!!

Newton Bear!

If your child has not taken Newton Bear home and would like to please see their class teacher!!

Requests

As the warmer months approach please ensure your child brings a **water bottle** (no juice) and **sun hat** to school. If your child does not bring a hat, we may have to ask your child to stay in class rather than choose the garden. We would also advise all parents to apply a high factor, long lasting **sun screen** before your child comes to school. This will ensure they are protected throughout the day.
