

Bingo!

Thank you to everyone who attended our Easter Bingo. It was a terrific night that once again demonstrated what a fantastic community we have here at Newfold.

A record **167** community members attended and helped us raise funds for school.

Thank you to all those who donated Easter Eggs and other prizes; your generosity and support is always very much appreciated.

Thank you too, to Newfold's top class staff for giving up another evening to enrich the lives of all.

Science Week

All our children enjoyed being young scientists during our Science Week.

Thank you to Mrs Henthorn our Science Leader, Newfold's Science Ambassadors and all Newfold's staff for organising such an enriching, exciting, and fun week of activities!

Our 'Celebration of Science' event was quite brilliant!

Wedding Bells!

We wish Miss Burt our warmest wishes and every happiness for the future in her marriage.

Easter Egg Competition

Once again our annual Easter Egg Competition bought out our community's creative best!

The hundreds of entries have certainly wowed us all in school and were **incredible!**

Everyone who entered was a winner!

Thank you for all your tremendous efforts in supporting this event. Once again our parents/carers demonstrated amazing support for the school community.

Easter Holiday

All of us at Newfold hope you all have a terrific Easter Holiday.

We return to school on

Monday 16th April at 8:55 a.m.

Happy Easter

Mr P Edge
