

CLIFFE WOODS PRIMARY SCHOOL

23 April 2018

Dear Parents

AFTER SCHOOL CLUBS

As you know, from September last year we have been offering a variety of after school clubs to the children provided by NGS.

Starting next week, professional coaches from Activco will be coming in to school to offer this provision. Activco are a local company who have been running similar sessions in other local schools very successfully for quite a number of years and we are confident that the clubs they run will be of high quality. Not least, the clubs will be split into KS1 and KS2, thus enabling the coaching to be age-focussed and meaning that our Year 1 pupils are not trying to keep up with our Year 6 pupils!

All Activco coaches hold relevant DBS certificates and are qualified in first aid.

To start with, Activco will be running a Multi Sports club on a Wednesday afternoon and a Football club on a Thursday afternoon from next week, both clubs starting straight after school and finishing at 4.30 pm. Full information will be sent home with Activco's booking form in the next couple of days.

As always, if you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely

Mr T Muggridge
Headteacher
