24th April 2018

Dear Parents / Guardians

As you will be aware, Key Stage Two SATs week is fast approaching: test week is week beginning 14th May.

You can be very proud of the children as they have been working incredibly hard in school and at home to ensure they do their best in these assessments and show what they can do. Thank you for all the support you have given.

The timetable for the week is as follows:

Monday 14 th May - am	English Grammar, Punctuation and Spelling Tests
Tuesday 15 th May - am	English Reading Test
Wednesday 16 th May - am	Maths Test 1 - Arithmetic Maths Test 2 - Reasoning
Thursday 17 th May - am	Maths Test 3 - Reasoning

I have stressed to the children that these tests are a chance to show what they can do; whilst they need to take them seriously and work hard during test week, they should not be unduly worried. All that they can do is try their best. We aim to keep the week as relaxed and normal as possible and support the children to show what they can do. Please help them, as always, by encouraging them to get plenty of sleep, have a good breakfast and bring a water bottle to school to keep hydrated.

Finally, I would like to reiterate the importance of the children being in school on these days and arriving on time in order for the tests to be a true reflection of their attainment and the effort they have put in during their time in KS2.

Thank you for your support.

Yours sincerely

Mr M Wiley
Class Teacher
