

Nursery 3 Home/School Learning Plan

These are the things we will be learning about this Summer Half Term. Please help me at home.

We are going to have some caterpillars in Nursery. We will watch them as they change into butterflies and then release them outside.

We will be playing games together sharing resources and taking turns.

We will be planting seeds and looking after our plants as they grow.

Growing

We will be reading traditional tales and talking about story language and patterns.

We will be looking at artists and the way they paint, then we will have a go at painting flowers ourselves.

We will be looking at numbers all around us.
