CHILDREN NOT COLLECTED AFTER SCHOOL HOURS

A Note for Parents

There are rare occasions when, perhaps due to an emergency, parents are not able to collect their children promptly from school, or make arrangements for their collection, at the end of the school day.

If a child is not collected, the school will make enquiries to find the parents using the contact numbers given by them.

If that fails, however, the school will follow Local Authority guidelines and contact the police and Social Services to make whatever arrangements are necessary to ensure the child is cared for.

We assume all families will agree and respect the need for agencies to work together to ensure children's safety and welfare is prioritised.
