

Foundation Stage Big Outside Project: Parent Voice

Parent/Carer name _____ Child's Class _____

In Foundation Stage we are working towards improving our Big Outside area. We want to move towards including an area where children can learn outside no matter what the weather. This is a priority on our long term plan. As a team we have spent many months researching and visiting many different settings for ideas and inspiration. We have already spoken to the children about what they would like in our outside area now we want your opinions too! Please fill out this sheet and return it to your child's class teacher before half term **Friday 25th May**. All entries will be placed into a prize draw with the chance to win a prize. Thank you for your support. The Foundation Stage Team.

What does your child like to do when they are outside?

What would you like to see in our Big Outside area?

Do you have any skill or contacts that would help us to create our Big outside vision? (e.g. shelter building, artificial grass, building story chairs, benches around trees, outdoor sandpits, planters, water walls.). **Would you be willing to offer your time to help us in any way?**

Thank you
