A little note from Mrs Fitzgerald...

Just as the weekend arrives the sunny weather pauses...hopefully!

Thank you to those parents able to make our parent forum last week ~ your time, input and feedback is very much appreciated ~ if I don't know about something I can't do anything about it! We talked a little about the on-going issues with our perimeter wall and fencing which we are pursuing with the Local Authority.

We also talked a little about outdoor environmental developments to include a 'quiet space' and enhancing our adventure play equipment.

One of the things we are currently undertaking as a staff is a curriculum review. This is because we are approaching the end of a two-year cycle started in 2016. We are looking at areas which are working well, in addition to what would be even better. Focus is particularly around areas including Music, Computing and the children's Personal, Social, Health and Economic Education (PSHE).

Do have a look at the diary dates below, we are trying to publish planned events as far in advance as we can so parents and carers can plan. I need to arrange the next Parent Forum date which I will do next week, in the meantime, you know where I am...my door is always open!

Have a lovely weekend,

Warm regards, Mrs Fitzgerald

PARKING

The parking of cars near and around the school when parents are dropping off and collecting their children is a constant concern to our children's safety. PLEASE can I ask that you park elsewhere and take a short walk to school in order to ensure we avoid an accident involving one of our young children?

PLEASE PARK WISELY AND SAFELY FOR EVERYONE'S SAFETY
