Dear Parent

ParentMail

You can receive school correspondence via email/text messaging rather than your child bringing a paper copy home. This service is provided via the ParentMail service.

If you would like to receive correspondence by email/text please complete and return the slip below.

Once we register your details you will be sent either an email or text message from ParentMail; when you receive this **you will need to verify your account** - please just follow the instructions below.

If you have both a mobile number and an email address registered on your account, you will receive a registration invitation by text **and** email. You can decide which way you register – **but you will only need to register once.**

Mobile registration:

Please click on the link from the text message and follow the verification process. You will be asked to enter some details, answer a security question to verify who you are and to set a password for your account.

Email registration:

Please click on the link from the email and follow the verification process. As above, you will be asked to enter some details, answer a security question to verify who you are and to set a password for your account.

Please be assured that ParentMail is registered with the Information Commissioner and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

Yours sincerely
Helen Smith
Headteacher

.....
