

## Swimming

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

**Currently, in our Y6 cohort we have 21 children:**

	<b>Percentage of Y6 children</b>
swim competently, confidently and proficiently over a distance of at least 25 metres	43%
use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]	5%
perform safe self-rescue in different water-based situations	33 %
