

NURSERY STAY & PLAY FEEDBACK

Had a good time and a chance to see how my son interacted with other children. Also had a chance to see him write and take instructions from his teachers.

I think it's a great way for parents to see what their children experience each day. So many lovely activities for the children to do. Lovely teachers and a lovely nursery.

Today was a lovely experience to see what the children do every day. I loved seeing how my daughter interacts with her nursery friends.

We have had a lovely afternoon with our daughter playing with her favourite toys. She has shown us outside and the home corner. She has been so excited showing us around. Very enjoyable for us all.

It was really lovely to have had the chance to Stay and Play with the little ones as it gives a great insight into their daily play. All the staff are amazing and the children seem very comfortable with everything. Can't fault anything, absolutely amazing nursery.

It's good to experience what my son does on a daily basis. I think he enjoyed showing me everything.

Really good session, great to see what my son does every day. Really enjoyed it!

Today has been useful. I see how settled and happy my son is, how he plays with the other children, how friendly, supportive and caring the teaching staff are! Thank you. P.S. Love the tray of glitter sand to do shapes and letters. Will do this at home.

NURSERY STAY & PLAY FEEDBACK

I love the garden, it's so much fun. Had so many things to do. Teachers are amazing!!! Rainbow Class is the place to be.

Nursery staff are very friendly, all the children are free to play and explore which is brilliant. Very happy with the nursery!

My son loves coming to Nursery – he actually gets upset when it's half term! I'm very impressed with how much he has developed since starting Nursery. The teachers are doing great work!

It was great seeing what activities, learning and fun my daughter is doing at school. It's wonderful spending the hour with her in her Nursery with her buddies. Loved seeing her so happy and confident and socialising lots.

There was such an interesting array of activities for the children to explore independently. I liked the simple learning opportunities in the tasks with word or number labels. The staff are incredibly welcoming and friendly and assure me that my son is well cared for.

Very insightful into my son's day at Nursery having fun with all his friends.

I think today was a great idea so we as parents can understand how the nursery teaches and we can carry on at home.

The stay and play is a great way to develop a child's confidence. I have seen a lot of improvement in my daughter's interaction with other children and in our family. The activities in the nursery have a great impact on my daughter! Motor, sensory and intellectual skills.
