Strive, Believe, Succeed with... 'Forgiveness'

This term our School Value is '**Forgiveness**'.
A question you could discuss with your child is
'How can we show forgiveness to others?'

'Headlines'...

We are looking forward to the new extension being completed after the Easter holiday and Peace class being able to move back into their lovely new space. This will take place hopefully, in the first week. External works still need to be completed to the new entrance area and internal decorating and furnishings are nearly finished. The new space will make a huge difference to the class and we have been able to include a good size staff work space as well. We shall let you know the new access arrangements for each class after the holiday.

Sadly the Year 3 and 4 children could not attend the Cross Country festival due to the recent bad weather. However the children will be having a competition against a Year 3 and 4 team from Oaksey School next week. Fortunately the bad weather has not held up the Nordic Walking sessions for the Year 5 and 6 children and at the beginning of next term there will be a team competition against Luckington and Oaksey School.

We are still hoping to find an Activity Leader for the after school club for after Easter and all parents should have received an email with this information. If you know of anyone who would be interested in this post please contact the Office for further details so that we can fully staff the club.

We would love to see as many parents as possible at our Easter Service on Thursday 22nd March at 9.20am in All Saints Church. FoSBS will also be holding the Easter Fair after school on Friday 23rd March and we look forward to seeing you all then. The Art and Computing morning will also be an opportunity to see you in school on Tuesday 27th March where you will see the children engaged in exciting learning.

Ursula Scott
Executive Headteacher

Green SuperBud	Julia West, Hugo Randall, Otilie Brown, Zara Ferris, Mia Williams, Alfie Horne	Luis Muca
Orange SuperStar		

Thank You to FOSBS

An enormous thank you to FOSBs for funding our science learning about chicks during the last fortnight. The whole school loved watching the eggs hatch and the chicks grow day by day. We all spent many hours staring through the perspex window, watching them becoming more inquisitive and develop their individual characteristics. Thank you also to the children for caring for the chicks so well - making sure they were cleaned out, fed and watered every day, as well as giving them cuddles! When it was time to say goodbye last Friday, we were pleased to say that all eight of our chicks were going off to their new homes with families from our school.

Thank you FOSBS for such a memorable experience. Mrs Pitman-Jones
