### Social Afternoon

We hope to start a parent social group on Friday afternoons for parents who would like to come in and help develop the whole school's outside areas. It will be open for any parents from Nursery age up to Year 6 and you would not need any skills, just volunteering your time would be very much appreciated. We will provide the tea and biscuits and would hope that this would be an enjoyable and social weekly meeting over the summer term. If you are able to lend a hand then please could you let us know at the school office.
