

Netherseal St Peter's PE & School Sport Funding REVIEW for 2017 - 2018

PE & School Sport Funding			
Basic amount £8000 + 54 pupils x £5	£8000		
£5 X 54 pupils (Y1 – Y6)	£ 270		
Total funding	£8270		
Total Planned Expenditure	£8343		
AN OVERSPEND OF	£ 73		
Activity/Intervention	Cost	Intended Outcome	Impact & Sustainability
Professional sports coach to team-teach with staff. One afternoon per week X 39 weeks Rental of Village Hall for an additional afternoon per week X 39 weeks	£3900 £ 950	Enhanced knowledge, confidence & skills of all staff Additional access to VH for PE & sport (beyond the requirements of the NC) in the event of adverse weather conditions Further access to a broader range of PE & sports activities; archery, golf, boxercise Increased enjoyment for all pupils	The school built further capacity & a strong skills base. Pupils enjoyed 'new' sports & speak about PE in a very positive way; PE & school sport is seen as enjoyable and remains high-profile.
Additional MDS x 39 weeks All-weather table tennis table	£2624 £ 719	There is a MDS specifically responsible for organising playground activities at lunchtimes. Physical activity is further embedded within the school day; the playground is an active place to be.	Organised activities at lunchtime increased the opportunities for pupils to be active & to engage with each other in a structured, positive way. Older pupils took on more of a playground leadership role at lunchtimes.
Farm to Fork project – transport subsidy	£ 150	Pupils are encouraged to adopt healthy eating & active lifestyles	This project contributed to the school achieving Derbyshire Healthy School Communities Award.

Netherseal St Peter's PE & School Sport Funding REVIEW for 2017 - 2018

Funding increased by a further £8000 from September 2017 Additional planned expenditure	£2802		
Cricket Coaching (Derbyshire Cricket Board) Coach to Derbyshire County Cricket Ground	£ 720 £ 260	Pupils further access a broader range of PE & sports activities & after-school opportunities. Children experience cricket played at a professional level.	This coaching took place over twelve weeks, allowing the children to really develop their skills and make some solid progress. Links with a local cricket club were also developed.
Premier Sport virtual competitions	£ 400	Children have increased opportunities to compete with other schools.	Archery was a good choice for this competition since it allowed a number of usually 'non-sporty' children to shine.
Professional sports coach + rental of VH for structured lunchtime activities + CPD X 39 weeks	£1272	Lunchtime provision is further developed through team-teaching CPD for MDS	This has been worthwhile – very popular with the children. The coach is an excellent role model too.
Playground resurfacing + marking	Awaiting costings but likely to be a longer-term project, therefore will carry £5125 forward to next year.		

Meeting national curriculum requirements for swimming and water safety (2017/2018) Year 6 cohort)	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%

Netherseal St Peter's PE & School Sport Funding REVIEW for 2017 - 2018

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
