

Topic

In the first half term, both classes will be looking at continents and countries on a world map. They will also be learning about the rivers of the world.

In the second half, we shall be looking at different countries who are competing in the World Cup. Year 3 will be studying Australia and Year 4 will look at Costa Rica.

English

We shall be covering:

- Story writing inspired by rivers
- A book study
- Poetry

FIFA WORLD CUP
RUSSIA 2018

Art/DT

In our Art and DT lessons we shall be creating models of the world, producing river-inspired art and then be designing an art project based on their country.

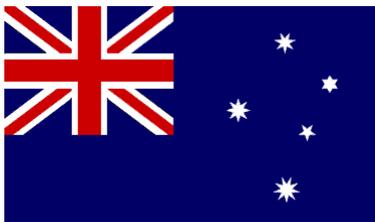

RE

Year 3 will be looking at 'People of God' and why Noah decided to follow God.

Year 4 will be looking at the story of creation and looking at the question: "What can Christians do to be good stewards of God's creation?"

Computing

We will be using a variety of software and internet resources to aid our learning across the curriculum.

ONE WORLD ONE TEAM!

Rivers and Australia (Year 3) Costa Rica (Year 4)

Science

Year 3 shall be learning about the human body and Year 4 shall be learning about teeth and the digestive system.

Maths

We will be covering the following:

- Securing number facts
- Using problem solving skills
- Time
- Money
- Measure
- Geometry

P.E

Both classes shall also be practising their fundamental skills.

Year 3 will be doing athletics and Year 4 will be playing football.

Both classes will be practising for sports day.

Music

Year 3 and 4 shall be learning to play different songs on the recorder with Mr Walker.

Modern Foreign Languages

In German, Year 3 will be learning how to say the days of the week, months of the year and describe weather patterns Year 4 will be learning about German schools and how to describe their journey to school and the equipment they use.
