

Thames Valley Adventure Playground – Spring Walk – 13 May 2018

Thames Valley Adventure Playground are holding a fundraising Spring Walk on Sunday the 13th of May in Windsor Great Park.

Since 1982 the Thames Valley Adventure Playground has provided a chance for children & adults with all types of special need to enjoy the fun, freedom and friendship afforded by the opportunity to play and share experiences in a safe and stimulating environment, with users travelling from Berkshire, Buckinghamshire, Oxfordshire, London and beyond. Wheelchair-accessible roundabouts and swings, elevated walkways allowing someone with profound and multiple difficulties to enjoy the excitement of 'climbing' trees, multi-sensory rooms to stimulate and relax, with specially-trained staff to provide help and support - these are just a few of the things on offer. The playground makes a real difference to the lives of children and adults with special needs, and their families. Over 15,000 visits were made to our playground last year.

As a registered charity, it costs in excess of £350,000 a year to keep the Playground going. With as little as 5% of the money we need coming from local authority funding, the support of the local community is absolutely crucial in helping to maintain a service which is of huge benefit to so many children and adults who have a special need.

So...every year we hold sponsored walk to fundraise. Since we began the walks in 2003 we have raised over £140,000, so it is a hugely important part of our fundraising!

Join us on Sunday the 13th of May for our 2018 Spring Walk 'A Walk in the Park' in Windsor Great Park. The walks begin from the Savill Garden Entrance, TW20 0UJ. Choose one of three routes: 2½ miles, 6 miles and 9 miles in the beautiful Great Park. The paths are suitable for wheelchairs and buggies.
