

Attending Events Guidance Notes

When attending an event/competition organised by the Pennine Sports Partnership it is the schools responsibility to:-

- Inform the organiser of any child who has any medical condition, which may affect participation.
- Inform the organiser of any child whose photograph should not be taken for use in any media releases or who cannot be on video.
- Make sure pupils are dressed appropriately and have drinks/sun cream (if necessary).
- Ensure the supervision and safety of their own young people.
- Bring and administer first aid as necessary. If this causes a problem please contact us.
- Ensure that the person in charge of the young people is aware of the schools visits policy and risk assessments.
- Be aware and support control of any parents, pupils or other associated visitors behaviour.

Thank you
