

## MISSION STATEMENT

*St. George & St. Teresa School is a Catholic School where we show love and care to all members of the community.*

*It is a place where the Trinity is central to our lives; where we pray together, praising Almighty God, learning about Him and growing closer to Him.*

*It is a place where we work together, living our faith, and learning together, sharing and developing our knowledge, skills and understanding through all aspects of the curriculum.*

***It is a place where we endeavour to live as Christians in a multicultural, multi ethnic society.***

***Faith***

***We live it,***

***Love it***

***And Learn it.***
