Admissions Policy

Introduction

Albany Village Primary School governing body applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admissions as of September 2000. This was later revised in the Education Act of 2002. Our admissions policy conforms to the regulations that are set out in that Act and are further explained in the statutory School Admissions Code of Practice and the statutory Appeals Code of Practice. These were revised in January 2003 and came into force in September 2004.

Aims and Objectives

Albany Village Primary School is an inclusive school, welcoming children from all backgrounds and abilities. All applications will be treated on merit, and in a sensitive manner.

The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we adopt the procedure set out below to determine whether a child is to be accepted or not. It is our wish for parents and carers to find a place for their child at the school of their choice. However, this is not always possible due to excess demand on the places available.

A child's level of ability is irrelevant to this school's admissions policy, as are any special needs the child may have.

How parents/carers can apply for their child to be admitted to Albany Village Primary School Reception class

Albany Village Primary is a community school, and it determines the admission arrangements in agreement with the local authority (LA). The Admissions Authority for our school is therefore the LA, which publishes its entry regulations every year. Parents and carers can receive a copy of these regulations directly from the LA.

The LA's annual admissions prospectus informs parents and carers how to apply for a place at the school of their choice. Parents and carers have a right to express their preference, but this does not, in itself, guarantee a place at that particular school. Application should be made on a form that can be obtained from the local Education Department, and should be returned by the date stipulated on that form. The Admissions Section of the LA will notify parents and carers of the decision as soon as all the applications have been considered.

In this area, children enter school at the start of the academic year in which they become five. There is one admission date per year, early in September (i.e. when the autumn term begins). Therefore, parents and carers who would like their child to be admitted to this school during the year their child is five should ensure that they return the necessary application form to the LA by the end of the stated preference period.

Admissions to our school throughout the year

Albany Village Primary School can admit children throughout the year as the need arises if we have the places available in the requested year groups. Currently our admission number is 30 for every class in our school. Parents/Carers should request a School Transfer Application Form from their child's current school - see Appendix 1. Please see Appendix 2 - Transfer Process Flowchart which explains the process.

Admission appeals

If we do not offer a child a place at Albany Village Primary School, this will be because to do so would prejudice the education of other children by allowing the number of children in the school to increase too much.

If parents and carers wish to appeal against a decision to refuse entry, they can do so by applying to the LA. An independent panel considers all such appeals, and its decision is binding for all parties concerned. If the appeals panel decides that we should admit a child to whom we had refused a place, then we will accept this decision and continue to do all we can to provide the best education for all the children at our school. (Further details of appeal arrangements are set out in the revised Code of Practice on School Admissions Appeals, which came into force in September 2004.)

The standard number

The 'standard number' is the number of children the LA considers the school can accommodate. The standard number for our school is 30. We keep this number under review, and the governors will apply to change the number if circumstances change.

Sizes of classes for infants

We teach infant children (aged five to seven) in classes that have a maximum number of 30 children.

Equality Act

The Equality Act 2010 introduced a duty to promote equality of opportunities.

As a school we have a strong belief in inclusion. We feel that it is the responsibility of the whole school community to implement an equality scheme that promotes the inclusive ethos of our school.

Our policies have been written to ensure that inclusion is promoted.

Monitoring and Review

This policy will be monitored by the governing body, who will always take due note of the guidance provided by the local Admissions Forum.

The policy will be reviewed every year, or earlier in the light of any changed circumstances, either in Albany Village Primary School or in the local area.
