

Name \_\_\_\_\_

Class \_\_\_\_\_

**Homework Grid KS2**

**Due: Tuesday 8<sup>th</sup> May 2018**

Practise your multiplication. Can you complete each one in under 3 minutes ready for your weekly test? Put in the times table you are working on.

	7	2	5	9	11	1	4	12	8	3	6	10

	7	2	5	9	11	1	4	12	8	3	6	10

**Reading Challenge:**

Read for 10-15 minutes a night and record it in your reading diary.

**Spellings/GPaS:**

Our Spellings this week are:

Find out the meanings of these words. Can you put them into a sentence?

- Occur
- Explanation
- Temperature
- Familiar
- Thorough
- Category
- Parliament
- Cemetery
- Persuade
- Committee

**To research for upcoming learning:**

After having a discussion with Mr Smith, our allocated year group governor, we would like you to think about what you would want to be when you grow up.

Present as you wish and a time will be allocated in the week to present to the class.

**Maths Masters:**

Due to a large amount of children not achieving their 3min times table challenge over the last couple of weeks, we would like the focus for maths this week to be to practise as much as possible, so that they can achieve their times table certificate in the next celebration assembly.

Children to help themselves to times table grids to practise at home.
