Dear Parent/Guardian,

***Support for School Gardening Club - Gifting Organic Compost to the School***

Banbridge & Craigavon Council are offering free Organic Compost to anyone who calls at their local amenity site on Saturday 12<sup>th</sup> May; to avail of this offer, you're required to provide proof of address as a resident living within the local Council area.

I'm sure you have observed and appreciate the variety of plant and flora which are growing in the various 'Planter Boxes' located throughout the school site; they enhance the aesthetic appearance of our site and are there for everyone to admire and appreciate. As a means of helping the school Gardening Club boost their supply of compost to nurture the wide selection of plants/flowers which have been planted in the various 'Planter Boxes', it would be much appreciated if, having picked up some of the compost at your amenity site on Saturday 12<sup>th</sup> May, you could 'gift' the compost to the school in exchange for a Homework Pass for your child. More details available from Fergal (Caretaker) and Miss Hussey (P2B teacher).

***LENT - Fund Raising for TROCAIRE & Southern Hospice (Newry)***

The total sum of £1280 for charitable purposes was raised during LENT 2018. £1,000 has been given to TRÓCAIRE as the main beneficiary of our fundraising efforts during LENT. In addition to TRÓCAIRE, the remaining balance of £280 has been given to the Southern Hospice (Newry) via Mrs Daire Finegan (former teacher in the school) who is planning to walk a section of the 'Camino de Santiago' later this year, in aid of the Southern Hospice.

As well as the fundraising, staff have endeavoured to raise awareness, concern and curiosity in our pupils for others more in need whom agencies such as TROCAIRE and the Southern Hospice support throughout the year. Thank you for your support of our various fund raising activities during LENT and for your very generous financial contribution.
