Dear Parent/Carer,

I have organised ZooLab to visit Class 3F in school on Thursday 10th May. This interactive session will allow the children to see, touch and handle real animals from the Rainforest (snakes, frogs, snails etc.). Children will learn about plants (which links to our Science topic) and the layers of the rainforest that the animals live in. They will also learn about rainforest location, rainfall and rainforest destruction.

The cost of the visit is **£6.00 each**. Please return the permission slip and the money/ cheque to school by **Tuesday 8th May**.

Best wishes,

Miss Fellows
