## Newsletter No.54: 4<sup>th</sup> May 2018

Dear Parents and Friends,  
Another week gone, spring is here and I have yet more success to report.

### **Bright Stars Tea Party**

Not a new success but last week we had a tea party to toast our Bright Stars win. Sarah Glass from CfLP came to present us with our winning cheque and at the same time we presented Jude from our chosen charity, JDRF with a cheque for £795 plus another £50 which we raised on the day. Jude gave a short presentation and we had a special visit from Rufus the Bear. Everyone then tucked into tea and cakes to celebrate.

### **Tennis Champions**

Last Monday a team of Leah, Marcus, Hannah and Joel represented the school at the regional mini tennis tournament. They returned to school as champions and will now go onto the district finals in a couple of weeks. Well done to the four of you and we wish you good luck in the final.

### **Rugby**

All of Year 5 and 6 had an afternoon at St Bees on Thursday, at the area rugby tournament. They managed to avoid hypothermia but did get a little wet and managed a very creditable 1 win, 1 draw and 1 loss result. The new kits certainly looked like they had a good outing! Can you please make sure these are cleaned and returned to school next week? They should all have a shirt, a pair of socks, a pair of shorts and a tracksuit top and bottom. If any item is missing we do have a few that we discovered around the inside and outside of the school last night, we would be grateful if you could get your child to claim them.

### **SATs**

The week after next is SATs week, which means the school needs to be a calm and

peaceful zone for our hardworking Year 6's. Please can I ask you all to help us by making sure children are on time as late arrivals cause disruption and all parents are out of the school cloakrooms and corridors by 8.55am when school starts. Year 6 are working very hard and deserve to have the best environment possible to help them achieve. Thank you for your help.

### **Dino Park**

We waved Class 1 off this morning as they set off to Dino Park over the border in Scotland – I hope they all remembered their passports! I'm sure they are all having a great time and have maybe found their pterodactyl which went missing after it hatched out in the classroom? We will let you know if they did in the next newsletter.

### **New payment procedure**

Thank you to everyone for working with us as we implement our new payment procedure. Can I ask you to check your children's book bags on a regular basis as some invoices have gone home but the children appear to have forgotten to hand them over. We have also found a few in the children's trays and even on the cloakroom floor so we will try and improve our end of the operation by making sure they do at least leave the building in a bag! On the subject of money our residential is only 2 months away now and quite a few parents have not yet started payments, in case you have forgotten the cost is £170 minus the £20 deposit you have already paid.

Finally remember it is a bank holiday on Monday so we will see everyone on the Tuesday, have a great weekend.

Best wishes

*D Moore*
