A huge congratulations to our formal pupil Lewis (left July 2017) for winning 3 medals at the Special Olympics in Sheffield.

Well done Lewis!

We will shortly be sending out letters to those whose children receive short breaks. For those who attend Downham House on a weekly basis we will be asking for confirmation of days they attend and that if days are to change we will need to be informed in writing (via the home/school book is fine). For those who receive short breaks via other providers, and leave to access these straight after school, we will be asking that days and dates are passed to us in writing (via the home/school book is fine). Should we not receive advice in writing then we will not allow pupils to leave school with anyone other than their usual home transport.
 Many thanks for your support with regard to this.

Congratulations to our fantastic Site Supervisor Keith. Keith is the fourth member of staff to be nominated for the Plymouth City Council Star Awards. Whenever he can, Keith will always go out of his way and make time to support the children in their learning even though it isn't part of his job.
 Your unconditional hard work, commitment and work ethic is appreciated by all of us at Mill Ford.
 Thank you Keith!
