Our Mission Statement:

"I have come so that they may have life and have it to the full" John 10:10.

At St. Mary's and St. Peter's Catholic Primary School God is at the heart of our faith and learning family. We nurture everyone and celebrate their uniqueness. Together we inspire children to build on their hopes and dreams. Our school is a diverse community which lives justly, loves tenderly and walks humbly with God.

Unfortunately, we have been experiencing a lot of vandalism to school property at the moment. Just this morning, Mr Butler arrived to find the picnic tables overturned, the wire fencing broken and wood from the play area snapped and thrown into the playground. We are in the process of looking through our CCTV to see if we can identify the people responsible. If any people are recognisable, details will be passed on to the police. However, if anyone knows anything about what has happened, we would be grateful if you would pass it on to a member of staff. School funds cannot continue to cover the cost of this amount of vandalism; therefore further damage may result in the children not being able to access the field.

Internet Safety

The 'Cyber Police' visited Key Stage 2 on Monday. They spoke to each class about the safe use of the internet. After the talks the police expressed their concerns at the number of children accessing inappropriate material and joining Social Media sites that are for much older children/adults. I must remind you that it is the responsibility of all parents to ensure that their child is safe when using the internet. The Government has strict guidelines regarding access in place, however parents must ensure that these guidelines are adhered to. I have been advised that there is a website which provides step by step support to enable parents to put appropriate security settings on a range of devices e.g. smart tv's, game consoles and I Pads etc. <https://www.internetmatters.org/parental-controls/>
