MESSAGE FROM MR DEWES

You will be receiving a letter soon with regards to how we hold your personal information at school. You may well be aware that there are new rules coming in from the EU (GDPR) which impacts on how we deal with your data. I know that no one enjoys filling out forms, but I would appreciate your help in returning the documents at your earliest convenience.

When waiting for their children to finish after school clubs, parents frequently wait outside the front of school. A few parents have commented that because some parents wait in their car with their engines on and because of the car park being raised from the front entrance, exhaust fumes often drift into the faces of parents. As it is, parents shouldn't be using the car park unless they have permission from the school. If you are using the car park, please turn your engines off while you are waiting.

ASSEMBLIES

This week the children have been exploring the school value of patience. The children discussed and shared examples of when they need to be patient.

ATTACHED

Please find attached the sponsor form for the sponsored walk to Draycote Water on **Friday 18th May**. We welcome as much parental supervision possible and would be delighted to hear from you if you can help on the walk.
