

Week beginning 7th May, 2018

Dear Parents,

Thank you to everybody who supported our village walks last week. We had a wonderful time and the experience has really supported the children to talk and write about Honley.

Here are some of the other activities we will enjoy this week:

- ✓ PSE: continuing to think about our village - is there anything that we would like to change?
- ✓ C & L: beginning to understand more complex sentences and questions and using vocabulary related to the village.
- ✓ C&L: Lower Foundation phonics: x and y
- ✓ Literacy: Reading Town mouse and country mouse and comparing these environments.
- ✓ RE: Children to look at photographs of the inside of a church and begin to name the different features they can see.
- ✓ EAD: Continue to make our village model.
- ✓ PD: developing control of soft large balls during outdoor play.
- ✓ MD: sequencing events that happen during the day and linking these to o'clock times.

To support your child this week please encourage them to look carefully at clocks and watches and particularly to notice when it is an o'clock time. Perhaps they could create a simple time line, using drawings, of three different things they do during a day and at what time.

As the weather hopefully improves again please remember to apply sun cream before school on face, arms and legs and provide sunhats as the children love to play outside during better weather days.

Thank you.

The Early Years Team:

K. Atkinson J. Turner V. Gill R. Morton J. Heppenstall M. Dyson
C. McLeod L. Wild A. Beaumont J. Woods D. Hancox

PSED: Personal, Social and Emotional Development
C and L: Communication and Language
