

# London Learning Journeys

# English: Writing and Reading

How does Morpurgo create interesting sentences?

Think like a character- write a diary entry imagining they are the Unicorn Lady

Write a newspaper report on when the soldiers invaded the town

Write a new episode for the story exploring how he would feel if he became separated

Where is London? What are the important landmarks? Create a PPT to launch topic- present to a group.

Using the 'rough guide' as an example, imagine they are a tour guide and write a 'open top bus' script.

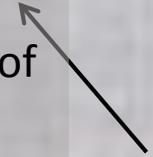

Write a travel report

London reflections

Unit 6- RWI- Michael Morpurgo Study

Use 'I believe in Unicorns' as the central text. Explore his use of imagery, character and atmosphere

Ongoing  
Reading comprehension skills

- SATS Busters 10 min tests and full test papers
- Inference questions- How can show evidence?
- Speed and stamina- building up reading resilience

Cross Curricular links- History and Geography. See other learning journeys

## Written Maths

Problems and challenges linked to London

Draw and identify parts of a circle

Revision of all written methods for calculations.

Identify common multiples, primes and square numbers

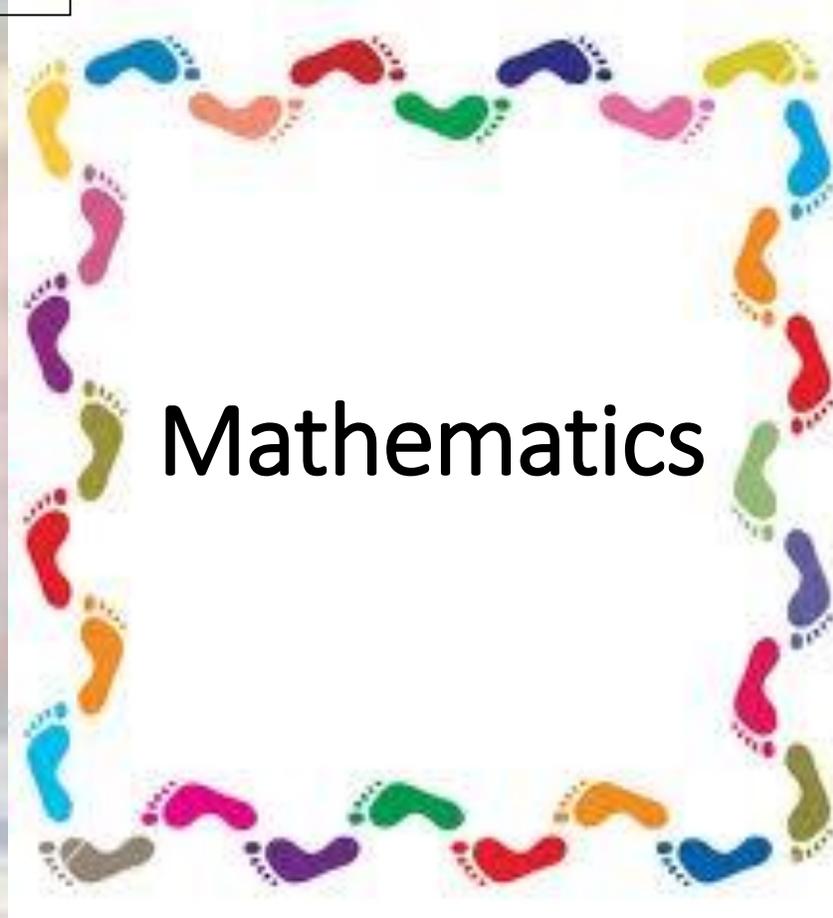

Name, classify and order shapes including diagonals

Understand line and pie charts.

Practical challenges-Tenner.

Create and analyse data.

Geometry- Angles of shapes, on lines and working out problems linked to them

## Mental Maths

All times tables- review and extend.

Number bonds, mental addition and subtraction

X and  $\div$  by 10, 100, 1000

Negative numbers

Time

Mental multiplication- e.g by 4, 8, 5, 25, 19, 29, 99

Keep working on 'number sense' by looking at weekly puzzles, applying knowledge

# PE: Athletics, Cricket and Rounders

Week 7- Test week.  
Take part in a combined event with at least one run, throw and jump

Each two weeks- Practice one of the three skills- improve PB by second week and log scores/times

Athletics- Introduce the three areas of running, throwing and jumping with links to ESAA Awards

Ongoing  
Healthy living- Why do we exercise? Are we getting our 60 mins a day?  
Events- Sports Day and Mile Challenge  
Inter KS2 Sports Tournament- Football, Hockey and Dodgeball.  
Intra School- Athletics and cricket.

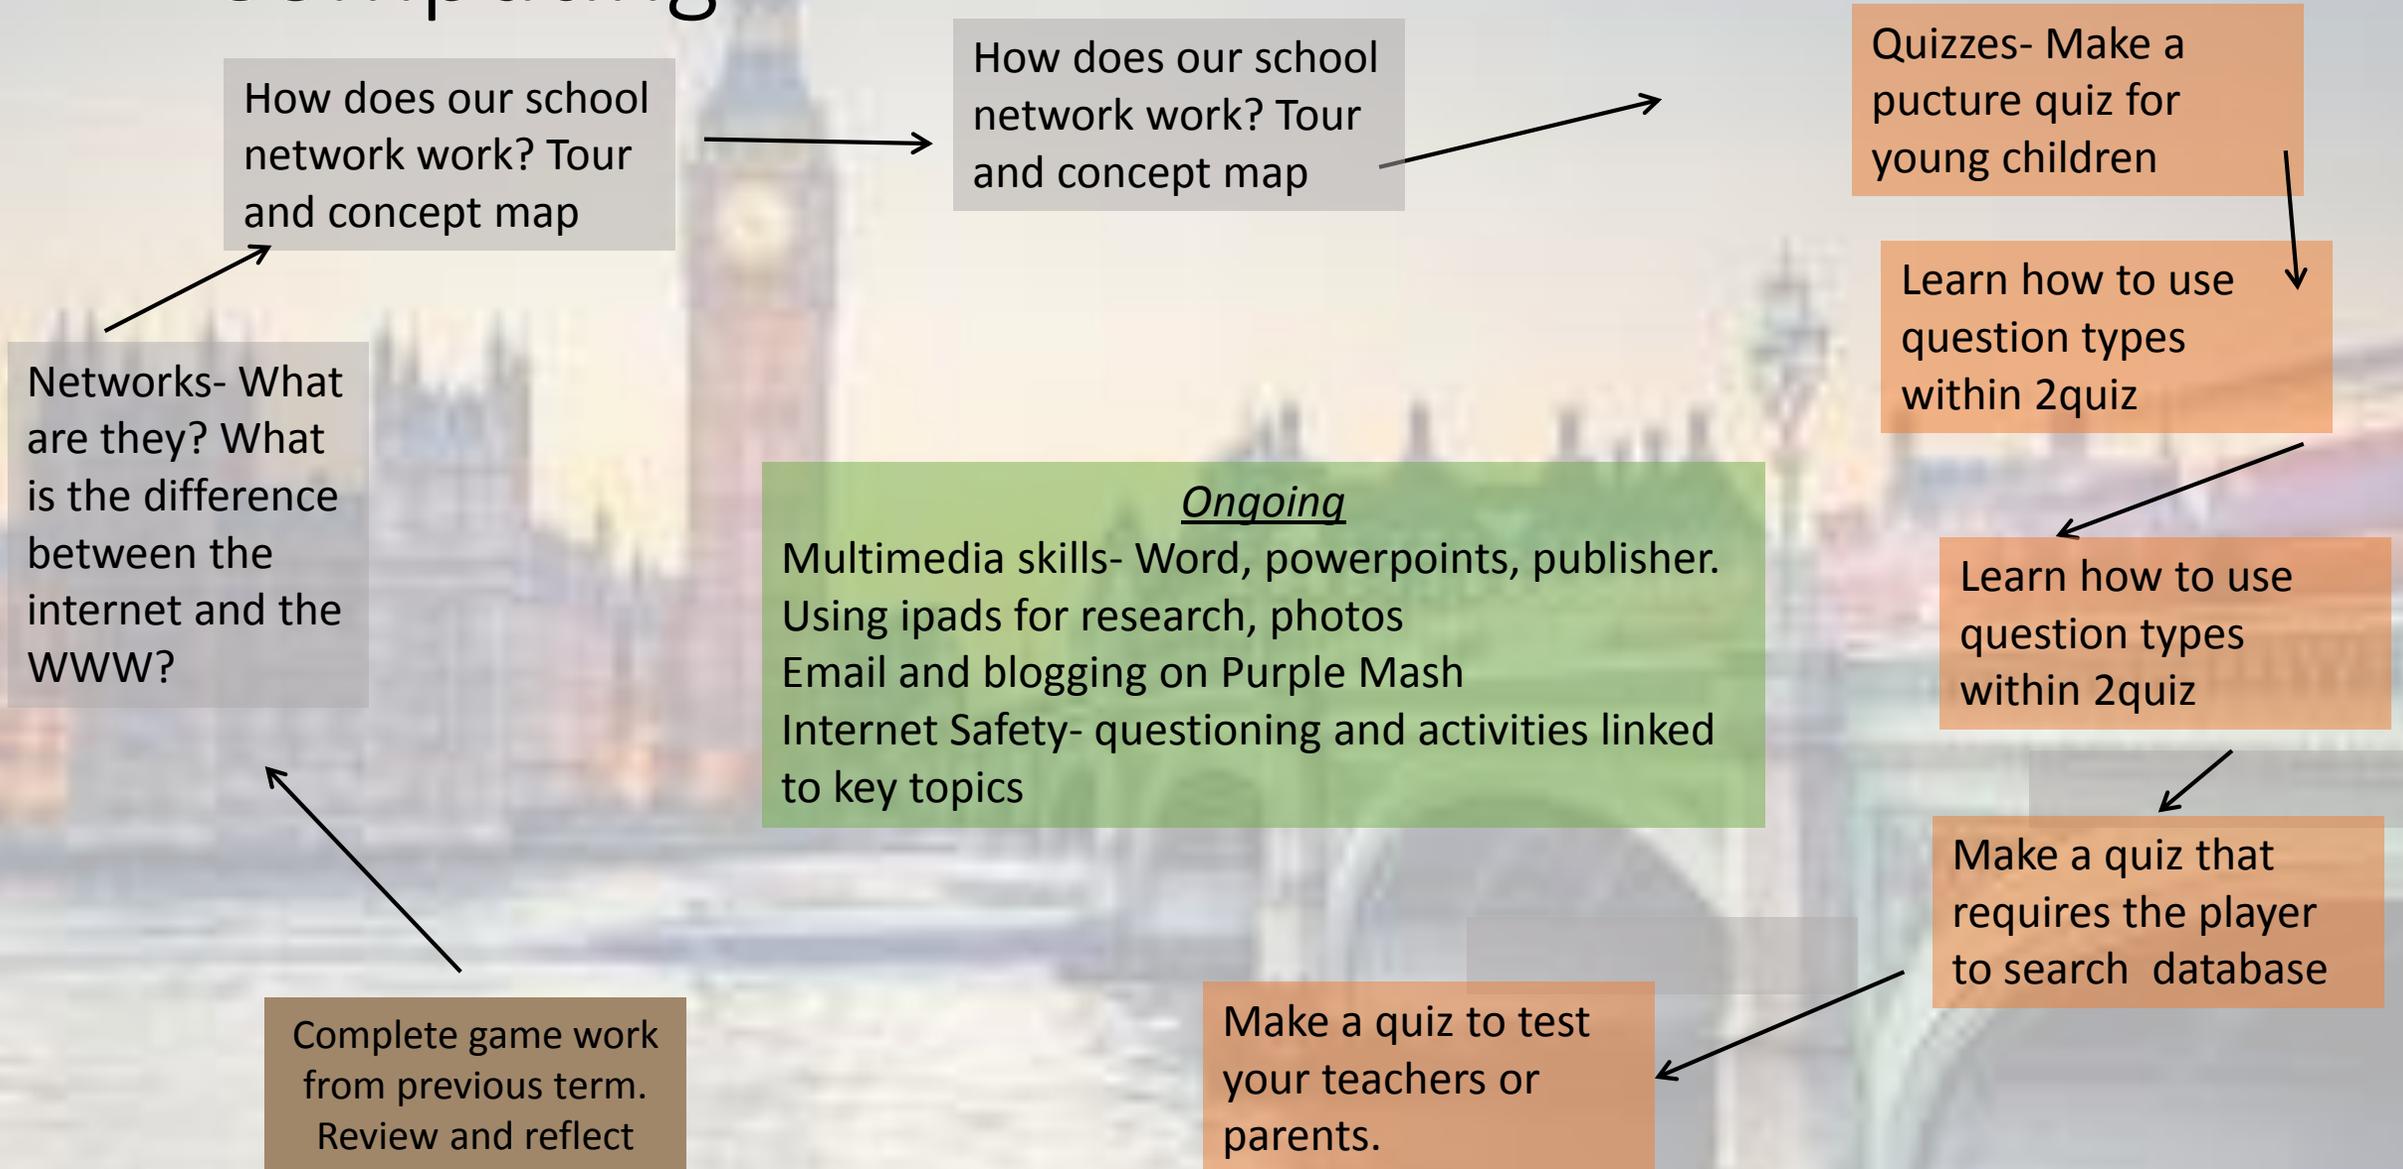

Cricket and Rounders

What are the key skills of batting, bowling and finding space?

Cricket and Rounders

Diamond cricket, small sided games leading to inter and intra competition
