Dear Parents / Carers,

Section 48 RE Inspection Report.

I am delighted to be able to share with you the final report from our RE Inspection at the end of last term. We have been graded as a 'Good' Catholic school by the inspectors, they were able to see lots of positive things in our school including:

'Excellent response of the pupils in class and their good behaviour helps them to develop a sound knowledge of the Catholic faith' and 'Behaviour in lessons and around the school is excellent'

'Leaders and managers promote, monitor and evaluate the provision for the Catholic life of the school. They have accurately identified the school's strengths and areas for development' and 'Governors have supported the school and of late are more involved in monitoring and evaluating the provision.'

I hope you enjoy reading the report, I feel it gives a very positive overview of our school, I am very proud of the children who were brilliant on the day and continue to be so.

Thank you to the staff and governors who worked extremely hard in preparation for the inspection.

Finally I would like to thank parents and carers for taking the time to share their views via the questionnaire you were asked to complete. The inspectors were complimentary about the number of you that took the time to send them in. Thank you.

The results of these are on the reverse of this letter.

Yours sincerely

S. Chiswell
