Dear Parents and Carers

Be Sun Safe

Now that summery weather appears to be here we would like to keep your child sun safe. As the children spend time at school both inside and outside it is important that suncream is applied before they come to school.

We are therefore asking for you to help us by applying “once a day” suncream because many children find it quite challenging applying it in an effective way by themselves.

Wearing a sunhat is also advisable. Please remember to label the hat with your child’s name.

Please also remember to send your child to school with a named water bottle as they often get thirstier in the hot weather. The bottle can be refilled in school when it is empty.

Yours sincerely

Mrs S Atkinson
Deputy Head
