

# JTA NEWSLETTER May

2018

-One Step Ahead-

This term, we are focusing on walking to school. From 23<sup>rd</sup> of April – 20<sup>th</sup> of July, we will have a ‘Walk to School Summer Term!’ During this time, you can earn up to three badges! To earn these badges, you must do these things!

Bronze - Walk to School for 4 days up to the half term holidays!

Silver – Walk to School for four days a week for both half terms!

Gold – Walk to School **EVERYDAY!**

On our patrols, we have seen more and more students taking **cars** to school! It's getting warmer and now it's the perfect temperature to keep **WALKING!** Now, you can walk, cycle and scoot to school every day, any day. It's great for exercise and even more!

## **Why it's good to walk to School?**

**It's fun** – you can meet friends and see things you would miss in a car

**It's good** for the environment

**It's a healthier** alternative than driving

Walking to school reduces pollution, making it easier to live in our planet. By walking to school, you are saving Earth! Climate change is happening because of pollution! The JTA team need you to help reduce pollution in London!

# BYRON COURT NEWSLETTER
