**Cake Sale Fundraiser** Thank you for all the donations of cakes and biscuits for the cake sale today and also for all the money raise through the non uniform day organised by the School Council. The total raised was £ 437.24 which will be given to the cricket club to help sort out the roof.

Things have gone very quiet recently regarding the expansion plans. The planning application has still not yet been approved but it is due to be heard at the end of May. Potentially building on such a confined site within a conservation area is proving a challenge and therefore, even if planning is approved, the rising budget costs may need to be discussed at cabinet level. However, one area which I am assured will be ready for use in September is our new annex room, formerly the children’s centre at Whalley Library.

### Expansion Update

### Football

A couple of weeks ago, the Y5 and 6 football team played four matches in the latest round of the football league. The team played extremely well and won all four of the matches. Well done to all the players for a great performance.

**Royal Wedding Lunch** We are hoping for good weather on Thursday lunchtime for our Royal Wedding Picnic event on the school field. Please could as many children as possible bring a picnic blanket to sit on. If it is very wet, we will hold the picnic in the school hall.

**Christian Aid Week – Help Needed!**

**13<sup>th</sup> to 19<sup>th</sup> May 2018**

Christian Aid is an international development charity that works with people of all faiths and none, in around 50 countries, to eradicate poverty. It's a great cause and Christian Aid Week is one of the major fundraising events held by the charity, which last year raised approximately £10 million across the country.

**If you have a couple of hours that you could spare to help us by joining our team of collectors, then we'd love to hear from you.**

It involves delivering donation envelopes to houses in the Whalley, Wiswell & Barrow areas on or around 13<sup>th</sup> May, and then collecting them again later that week. We need as many volunteers as possible to cover as many roads as we can, so if you are able to help please contact either Matthew Hitchcock (for Whalley & Wiswell) on 07753 202848, or Karen Pugh (for Barrow) on 01254 824310.

Thank You
