SAT's Test for Year 6

Our year 6 children will be taking statutory government tests in Reading, Maths (which includes a paper on arithmetic and 2 papers on reasoning) Grammar, Punctuation and Spelling next week.

All our year 6 children have worked so hard to prepare for their tests and shown great determination to do their best. We wish them all well and know they couldn't have done anymore to prepare themselves for their tests. Well done year 6 we are already so proud of you.

Menu Change

Thursday is school census day where we have to provide school meal figures to the Department of Education. The number of children taking meals that day will have an effect on the amount of funding we receive. The menu on Thursday will be:-

**Hot Dogs and Potato Wedges
Macaroni Cheese**

Peas and Sweetcorn

Chocolate Sponge with Chocolate Sauce

Jacket potatoes and sandwiches will also be available as normal

The Dog's Trust

On Tuesday we had a visit from the Dog's Trust. They were with us all day, starting with a really informative assembly about how to keep yourself safe in the park when meeting dog's you don't know and also if a dog comes running towards you. Your child should be able to tell you what to do now in both of these circumstances.

Bluebell Café

A big thank you to everyone who contributed cakes and biscuits to the café, or who gave generously of their time to help run the café. It has been another great success and we feel very fortunate to be part of this community activity and it also raises a lot of money for the school.
