#love #pride #achievement #selfconfidence

This week it was the Infants turn to receive their badges! Well done to all of the children who received their FIRST badge for 70 dojo points... look out on your emails for your assembly invite!

LOST PROPERTY

Please take some time to claim any lost property before the end of next week. Have a search through for any items that you are missing.... This is being bagged up on Thursday 24th June and sent off to fabric recycling!

Fancy a Spring clean yourself during half term?

If you want to donate any unwanted clothes or shoes we will donate them for you and the school can make a small profit too!

Please send bags into school by Friday 8th June!

SATs Ready! 😊

Year 6 have been working hard all year and have got into full revision mode during the past few weeks! We have had 'magic numbers' and have been aiming to 'beat our score'. As rewards for their amazing hard work, curiosity and resilience, they have had an ice-cream parlour, a PJ and pizza party and a beach party!

Year 2 have also got into SATs mode and have been working very hard with some necessary brain breaks in between!

Well done to all pupils and we wish you the best of luck for next week! Remember 'be the best you can be!'

All pupils MUST be in school and on-time next week.

Thank you 😊

#WakeUpShakeUp

Our new KS2 morning routine is proving an absolute hit with the children! Kick starting at 8:35am each morning, children are enjoying a range of sessions including Jo Wicks fitness for kids, Cosmic Yoga, GoNoodle dance, meditation and Just Dance! Pop your head round the door to see the children in action...you might even want to join in!

The Royal Wedding

We are celebrating the wedding of Prince Harry and Meghan Markle on **Friday 18th May**. Children in all classes will spend the day learning about the Royal Family and why this is a special occasion for not only those involved, but for many other people around the world.

We will also be making bunting and other decorations to celebrate the big day.

We will be having a special picnic 'street party' at lunch time and all food will be eaten on the school fields/outside grounds.

- Children are invited to bring in picnic blankets (named)
- Children can wear red, white and blue themed clothes for the whole day.

Please return your Royal disco letters and Royal picnic letters if you have not yet done so.

Spotlight on Science – Mrs Hill

Over the past few weeks, we have been using our curiosity to learn about the world we live in. We have learnt everything from how electricity is generated, to what makes a ball bounce. We have also had fun in the sun by investigating light and shadows. Through science, we are encouraging our brilliant, young minds to enquire about the world around them and we are having lots of fun investigating! **#curiosity #resilience**
