Guidance for filling in the In-Year common preference form

Section 4: Voluntary-aided and foundation schools

If you want your child to go to a voluntary-aided school, academy or foundation school you must read the admissions policies of the individual schools to understand how they make their decisions on who they offer places to.

If you want to apply to a voluntary-aided school they may require you to fill in a supplementary information form. You can get these forms from the schools or from our website www.leeds.gov.uk. The school governors use the information you provide on the form to apply their admissions policy.

Please return any supplementary information forms direct to the school you are applying for along with this form.

Section 5: Siblings

For these purposes, brothers and sisters **must be living at the same address** as your child. Siblings refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister. The definition does not include cousins or other family members sharing a house.

Section 9: Previous Schools.

Please give as much information as you can regarding your child's educational history.

If your child is new to the UK please inform us of any schools attended and in which country.

Section 11: Additional Information

We need you to complete this section for us to process your application without delay. You will be able to get advice from your current school's Headteacher when you take it to them to be signed and stamped.

If any of these categories do apply to your child, telling us about it will help the school to process your application for a change of school. These categories form part of our Fair Access Protocol. More information can be found on our website, www.leeds.gov.uk or in the 'Starting Primary School' and 'Starting Secondary School' booklets.

Section 12: Declaration & School Stamp and Signature
