Dear Parent/Carers,

Re: Year 3 Sex and Relationship Education Week

We have now completed our planning for Sex and Relationship Education Week starting Monday 21st May 2018. The main topics covered will be:

- The changes that happen in humans and animals between conception and growing up.
- How babies grow and develop inside the mother.
- How boys and girls bodies change as they grow up.
- Stereotypical ideas about parenting and family roles.

Sex and Relationship Education is a vital part of your child's education, however, you are legally entitled to withdraw your child from all or part of these lessons. If, having discussed any concerns with myself you still do not want your child to take part in these lessons, please write a letter to the class teacher confirming this.

If you have any queries or concerns regarding the content, please feel free to contact me or take a look at the PSHE curriculum on the school website for more details.

Kind regards,

Miss E Wynne
