## Privacy notice for staff

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, Cranborne Primary School, Laurel Fields, Potters Bar, EN6 2BA are the 'data controller' for the purposes of data protection law.

Our data protection officer is Patrick Aikman (see 'Contact us' below).

### The personal data we hold

We process data relating to those we employ, or otherwise engage, to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Race, ethnicity, religious beliefs, sexual orientation and political opinions

## Why we use this data

The purpose of processing this data is to help us run the school, including to:

## Our lawful basis for using this data

We only collect and use personal information about you, when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)
- We have legitimate interests in processing the data – for example, where:
  - We subscribe to services which keep children and staff safe or support the learning of children and staff (e.g. website subscription service, membership of professional organisation)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds, which justify the school's use of your data.

## Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

## **How we store this data**

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Copies of the record retention schedule can be obtained from the school website or school office.

## **Data sharing**

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.
