OSGODBY PRIMARY SCHOOL

Year 6 - you make us so proud!

A big well done to our year 6 children. I have been so impressed with the commitment that you have shown to the preparations for your SATs tests. You have worked hard both at home and at school. I have even spied some people revising at lunchtime! You are a credit to the school and you should be very proud of yourselves.

A lesson in mindfulness

We were lucky enough to host a special visitor here at school a few weeks ago.

Buddhist monk Chok Yong toured the classrooms and answered questions from the children about the Buddhist faith. We all found the visit to be extremely enlightening!

Allotment Update

Since The Rotary Club constructed our new beds, the allotment has been a hive of activity. The children have been working hard to ensure a bumper crop in the summer.

Playground Development

Now that the weather is being a little more kind, we are able to move forward with our plans for the playground. Mr Robinson has been working hard on improvements to the

EYFS outdoor area. We will shortly be demolishing the old playground sheds to make way for a new traversing wall similar to the one pictured below.

E-safety

Thank you to everyone who came along to our e-safety evening with Stuart Green. It was a fantastic turn out and we have received some glowing reviews via e-mail. I am glad that you all found it so useful!

Summer Fete

We will be running our summer fete on Friday 29th June. Last year's fete was a huge success and we would like to see you out in force to enjoy some summer fun. As in previous years, our year 6 children will be running their own stalls as part of our annual enterprise project.

Parentview

We would like to draw your attention to the Parentview website. Parent View gives you the chance to tell Ofsted what you think about your child's school. The survey can be completed at any time; you don't have to wait until the school is being inspected. The feedback available for Osgodby School is now more than a year old and we would like to hear your current views. We would appreciate it if you find the time to have a look at the website and leave us some feedback!

The website link is www.parentview.ofsted.gov.uk/
And then you can click on the 'give your views' tab.
