## It's 'Game On' in Year 6!

To kick start our next topic 'Game On' the Year 6 children are invited to bring in games, including handheld electronic devices, on Monday 21st May. Children will be responsible for their own belongings and they will not be able to use games that require the internet.

For this project, the children design and produce a fabulous game using a cardboard box to sell at the Summer Fayre. If you have any spare shoeboxes at home, please could the children bring them in. It would also be helpful if the children could bring to school a pack of playing cards. We will return the packs of cards to you.
