Dear Parents/Carers

Years 3 & 4 Important Safety Reminder

Below is an extract from our December 2017 newsletter.

We hope it will serve as a reminder of our safety rules within the school grounds.

Although the rules apply to all children in school they are particularly pertinent to our Year 3/4 children and their siblings, especially at dropping off and collecting times before and after school. For the sake of children's safety, we therefore encourage you to help us reinforce the rules as detailed in the newsletter extract.

Important Information - School Grounds - Safety Rules:

We are asking parents and carers to help us reinforce the rules that we make clear and enforce during the school day. Please remind children that these rules remain in place beyond the school day and do not suddenly end when the bell goes and that they exist for their own safety.

Please pay particular attention to the following:

- **Keep to** footpaths and crossing points and **keep off** the grassy slopes near the driveway as we cannot guarantee that the school grounds will remain clear of traffic at all times.
- **Keep off** the steep grassy slopes near the pathway and the high brick KS2 boundary wall as a fall will cause serious injury.
- Do **not** ride scooters or bicycles on the school grounds. Once on the school site wheel your scooter or bike to the scooter and cycle stores provided.

THANK YOU

Thank you for your support.

Yours sincerely

Mr R Orr
