Dear families,

All at school have appreciated positives shared in recent weeks- it is great to hear from families about how well children are doing. Our staff work incredibly hard for all the children in the school. The children are generally very happy in school and make very good progress- there is so much good happening. Recent visitors regularly comment on the lovely atmosphere, great relationships between staff and children, politeness, quality of display etc. So please, assist us with this and ensure that (a) we hear about good news stories about your amazing children, and that (b) ALL interactions with staff are polite and respectful (if there is an issue, we are always here to help- we want to work to make school better each and every day, but this needs to be done in the right way). Thank you for your cooperation, and enjoy the sunshine this weekend!

Around the school this week: Dinosaurs being made in Reception, Y1 went on a space picnic, Y2 made stained glass, Y3 attended sports hub, Y4 had a poetry slam, Y5 testing boats in our swimming Pool and Y6 did a great job with their SATS and are celebrating in the park today. Also the whole school enjoyed a special Royal wedding themed lunch in the sunshine.
