LOST PROPERTY

Please take some time to claim any lost property before the end of next week. Have a search through for any items that you are missing.... This is being bagged up on Thursday 24th June and sent off to fabric recycling!

Fancy a Spring clean yourself during half term?

If you want to donate any unwanted clothes or shoes we will donate them for you and the school can make a small profit too! Please send bags into school by Friday 8th June!

WELL DONE!

A huge well done to the pupils and staff in Year 2 and 6 for completing their statutory assessments. Year 2, this score combines with all of your hard work to make your teacher assessment that we submit. Year 6, the papers are already in the post to the markers...

As we reach the end of SATs week, it is a good time to remind ourselves that there is so much more to Kestrels' than SATS. You've learnt so much more than verb tense and written methods of multiplication and how to answer 3-mark questions.

You've learnt about the past; you've learnt the continents, oceans, capital cities; you've learnt how to mix colours. You've learnt how to conduct a fair test; you've learnt how to balance; you've learnt how to code.

But beyond the skills set out in the curriculum, you've also learnt life skills. Skills to carry you through when you walk out of our doors for the last time.

You've learnt to tie a shoelace.

You've learnt to tidy up your mess.

You've learnt the power of a blue paper towel.

You've learnt how to make friends.

You've learnt how to keep them.

You've learnt how to listen, to show empathy, to care for your peers.

You've learnt how to work with people you may not be friends with.

You've learnt to resolve disagreements.

You've learnt how to organize yourselves and be responsible for your property.

You've learnt the importance of hard work, self-discipline and resilience.

You've learnt how to win, and how to lose.

You've learnt about learning, and that it's a journey, not a destination.

You've learnt how to be role models to other children, and how to do your parents and teachers proud. Well done on this week – 6 more weeks learning to do now, but SATs are over ☺

**WHAT
IS 
LOVE?**

Both sites started with a themed assembly, the infants even got to see some of Mrs Simpson's wedding pictures 😊

Ask your child all about what they learnt about today 😊

All of the staff and pupils shared a picnic lunch in the sunshine!

Sending good luck to the happy couple on Twitter
